

The International Conference on Polyphenols (ICP) is a biannual conference organized by the Groupe Polyphénols. This XXIV edition will be held in Salamanca, Spain 8th-11th July 2008 and will be a great opportunity for scientists from all over the world to exchange their views and most recent findings on phenolics.

In the site <http://www.polyphenols2008.com> you will find all the information required to plan your participation at the ICP2008.

Conference Topics

Areas of interest include

Topic 1 : **Chemistry** *Structure, reactivity, physico-chemical properties, analytical methods, synthesis...*

Topic 2 : **Biosynthesis and Metabolic Engineering** *Molecular biology, omics, enzymology, gene expression and regulation, biotechnology...*

Topic 3 : **Roles in Plant Ecophysiology and Environment** *Plant growth and development, biotic and abiotic stress, resistance, sustainable development, by-products valorization...*

Topic 4 : **Food and Beverages** *Composition, organoleptic properties, impact of processing and storage, functional foods, nutraceuticals...*

Topic 5 : **Health and Disease** *Medicinal properties, mode of action, bioavailability and metabolism, cosmetics...*

Important dates

- Second Announcement: December 2007
- Application for a GP Grant: January 15, 2008
- Receipt of Abstracts: January 30, 2008
- Notification of Communications acceptance: February 27, 2008
- Decision about GP Grants: March 15, 2008
- Receipt of two-page manuscripts: April 30, 2008

Congress Venue

The ICP2008 will be held at the University of Salamanca (*Hospedería del Colegio Arzobispo Fonseca*), Salamanca, Spain

Registration

Registration of participants will be done at the conference website.

	Before 15 March, 2008	After 15 March, 2008
Non-member	630 €	800 €
GP member	495 €	600 €
Student	250 €	300 €

Paper Submission

Communications should be fit within the topics of the conference. Authors wishing to present a paper or a poster at the meeting should submit an abstract following the guidelines on the web page for the ICP2008

Deadline for receipt of abstracts is January 30th, 2008 and notification of communications acceptance will be made by February 27th, 2008. Accepted communications will be included in the Conference Proceedings as two-page manuscripts which should be submitted before April 30th, 2008. The two-page manuscript communications can only be published in the conference proceedings once registration is completed and fees paid. Only one submission for inscription will be allowed.
